

## SUFFRAGISTS GET PLACE ON OHIO'S BALLOT

COLUMBUS, Ohio, Sept. 28.—Ohio's eighty-eight county election boards were ordered today by Secretary of State Fulton to place the suffrage referendum on the November election ballot.

## \$117 MORE FOR RED CROSS.

The Red Cross War Service Fund was increased today by contributions totaling \$117.40. Among the largest of these contributions announced today was an additional \$10 from the New York Avenue Presbyterian Church, \$20.65 from the American Society of Marine Draftsmen at the Navy Yard, \$5 from the Ladies' Aid Society of Grace Reformed Church, \$15 from Mrs. William Phillips.

## COAL OPERATORS PUT WAGE DEMAND UP TO GARFIELD

Coal miners' wage demands were put squarely up to Fuel Administrator Garfield today by the bituminous operators. His stand, expected to be in favor of some raise in pay for the workers, will be communicated to another meeting of the joint scale subcommittee this afternoon.

The operators sought assurances from the Government that President Wilson's soft coal prices at the mines would be increased at least enough to cover any raise in wages. So far the United Mine Workers have refused to join the operators in such a demand on Garfield. The miners take the stand that they should get an increase, and that any resulting increase in prices to consumers must be arranged between the operators and the Government, which now controls the coal industry.

As the operators want prices raised more than enough to cover the wage increase there is likely to be some delay in fixing the exact amount. The Federal Trade Commission will be called in to advise. There is still a bare possibility that the wage dispute will be ended by tomorrow or early next week.

A compromise wage advance, suggested by the operators, would give the pick and machine miners 10 cents additional per ton, day laborers around the mine \$1.40 increase per day and 20 per cent advance on dead work and yardage.

This would mean from 25 to 40 cents added to the mine price of coal for consumers.

## GARDNER'S SECRETARY NAMED FOR CONGRESS

Once more a secretary to a member of Congress has won his way to a seat in that body. In the recent primaries in Massachusetts, W. W. Lufkin, for years secretary to Congressman A. P. Gardner, now a colonel in the army, was given the Republican nomination for the Sixth district.

This is the district Colonel Gardner has so long represented. The nomination is equivalent to an election. Mr. Lufkin has been employed at the Capitol for years, and is well known in Washington.

## BLAMES WIFE'S TEMPER.

Denying charges of abuse and neglect and claiming that he was forced to leave his wife because of "her ungovernable temper," Harry J. Coslin, a plate printer, today filed answer to the suit for a limited divorce recently begun by Marian Coslin. Coslin states that his wife contracted bills for household and other articles aggregating \$650 without consulting him. Attorney Michael C. O'Brien is counsel for Coslin.

## FRIENDS SEEK TO OBTAIN RELEASE OF SERGT. HORTON

Comforted by his girl bride of a week, Sergt. Harold C. Horton, twenty-three years old, member of the 13 Aero Squadron, occupied a witness room of the First precinct police station today while friends sought to effect his release on the technical charge of army desertion.

Horton's plight of leaving the army post at Dayton, Ohio, six hours before his furlough was to have begun, coupled with his story of alleged jealousy on part of a brother soldier defeated in a competitive examination, caused the police of the First precinct to order his removal from a cell to the witness room, and grant him permission to Mrs. Horton to visit him often.

Horton and his young wife, nee Miss Nettie McInturf, of Chevy Chase, Md., were wed at Rockville last Saturday, but the stern hand of the law interrupted their honeymoon when a telegram came to arrest the officer on a charge of desertion.

Sergeant Coates, of the Ohio aviation post, was expected to arrive in Washington yesterday, but up until noon today he had not reported for his prisoner. In the meantime Sergeant Horton and his friends are making every effort to remove the stigma of technical charge of desertion.

## PHILLIPS WILL GIVE APARTMENTS TO SONS

The Connecticut Apartment House is bequeathed to his sons, James Laughlin Phillips and Duncan Clinch Phillips, Jr., under the will of Duncan Clinch Phillips, who died September 18 last, filed for probate in the office of the Register of Wills this afternoon.

A cash bequest of \$5,000 is made to Edward E. Miner, "in recognition of his loyal and faithful service."

All the other property of the deceased, real and personal, including an estate known as Ormsby Lodge, at Ebersburg, Pa., is left to his widow, Eliza Evelyn Laughlin Phillips, who is named executrix.

## GARRY McGARRY WINS SUIT

Justice Stafford today dismissed the rule to show cause in the suit against Garry McGarry, actor and producer, filed by the Espadain Producing Company, to obtain a restraining order. McGarry last week presented his play, "The Garden of Aloha," in which the song, "Aloha Oe," is sung, at E. F. Keith's Theatre.

Pending the outcome of the suit McGarry and his company have been entertaining the soldiers at the various camps in and around Washington.

## BEVLA A. LOCKWOOD ADMINISTRATOR SOUGHT

Application for letters of administration of the estate of Bevla A. Lockwood, famous woman lawyer and suffragist, who died May 19 last, was made today in the District Supreme Court by her grandson, de Forest L. Ormes.

Mrs. Lockwood, who made no will, left an interest in six hundred acres in Wyoming and a judgment for \$90, on which an appeal has been taken. Her debts are listed at \$395.

Mary O'Toole, also a suffragist and lawyer, is counsel for the grandson.

## MARINE BAND AS ESCORT.

The boys of Southeast Washington, in which is located the Marine Barracks, when they leave for Camp Meade tomorrow, will have conferred on them an exceptional honor. Assembling at No. 5 police station, Fifth and E streets southeast, they will be escorted to the Union Station by the United States Marine Band, which has volunteered its services.

The number of men in this division is forty-eight. Their departure will be witnessed by Commissioner Brownlow, D. J. Donovan, secretary of the Board of Commissioners, Clifford Latham, chairman of local exemption board, division No. 5, and other officials.

## U. S. OFFICERS TO BE ARRESTED AS FRISCO SPY AIDES

SAN FRANCISCO, Sept. 28.—An amazing spy intrigue is expected to be revealed before the end of the week by the arrest of two United States naval officers and an army officer as aides to Lieut. Erwin T. Schneider, alleged "master spy," arrested here some weeks ago. That arrests are imminent was indicated in a telegram received by United States Marshal Holohan, ordering him to turn over Schneider and Thomas Kessinger, arrested with Schneider, to the military authorities.

This action is said to have been requested by the Attorney General and Federal sources, it was stated, so that the Federal Government can handle them.

## MAJOR NEWMAN A CALLER.

Major Oliver P. Newman, former District Commissioner, was at the District building today. He came to Washington Wednesday on private business and will return tonight.

## NURSE ASKS \$26,000 OF MRS. PAYNE'S ESTATE

Mrs. Marie V. Dewdney, of 2909 Eleventh street northwest, has filed suit for \$26,000 against the estate of the late Mrs. Lydia W. Payne, widow of former Postmaster General Henry C. Payne, to recover remuneration for thirteen years' service as nurse, housekeeper, and ammenensis to Mrs. Payne while the latter was a resident of Washington.

The suit, which has been filed in the Milwaukee courts, is being conducted by Attorney Vincent L. Toomey, of this city.

Mrs. Dewdney claims that although she had been promised a suitable reward for her work, she was allowed only \$500 under the will of Mrs. Payne. Mrs. Payne left Washington in 1906 and died in Milwaukee in 1915.

## 300 DENIED EXEMPTION.

Rapid progress is being made by the District board of appeals in acting on claims for exemption. Approximately 300 appeals brought on behalf of the provost marshal general have been denied. Morris Hacker, secretary, said today the affairs of the board were in such shape that after next week it was thought they could be handled by holding two meetings a week. The board will meet again Monday.

## SECTIONAL FEELING INVOKED IN AID OF MEANS' DEFENSE

CONCORD, N. C., Sept. 28.—Sectionalism—that power which repeatedly has swayed Southern juries—will be invoked in the defense of Gaston B. Means against the murder charge.

Already, the groundwork of an extensive propaganda against "interference" and "persecution" from an outside State—notably New York—has been laid. A painstaking spreading of it was believed in progress today.

The jury which must try Means, should the grand jury indict him, must perform a task from the residents of this general locality. The State may force a change of venue to another township by charging local partiality, but it can't force a trial without the State and probably not far from here.

## DISTRICT ATTORNEY QUILTS.

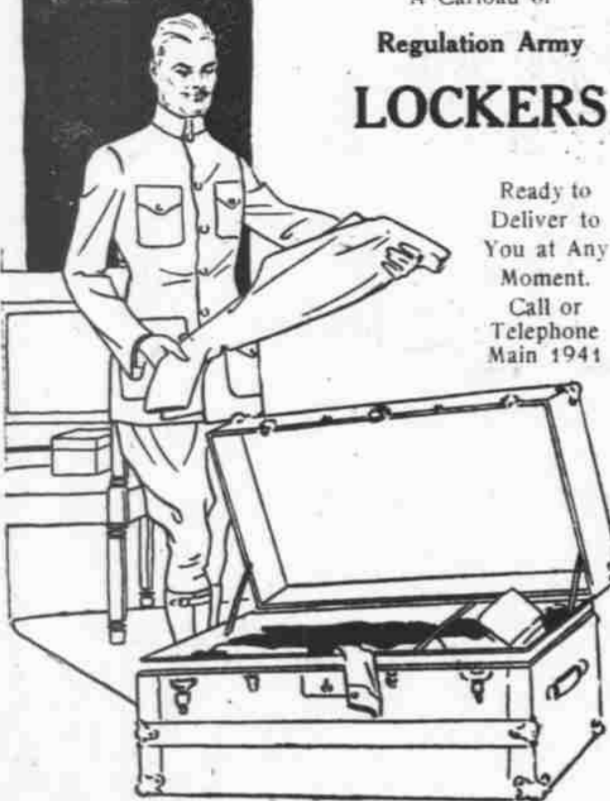

Attorney General Gregory today announced acceptance of the resignation of District Attorney Albert Schoonover of the southern district of California.
